PROGRAM EVALUATION FORM
Completion of this form is required.

Use of Methadone in Pain Management
December 1, 2016

1. Overall program □ □ □ □ □
2. Program organization and format □ □ □ □ □
3. Relevance to personal needs □ □ □ □ □
4. Overall knowledge of topics presented □ □ □ □ □
5. Overall quality of speakers’ presentation □ □ □ □ □

Dr. Ebtesam Ahmed □ □ □ □ □

6. Value of discussion time □ □ □ □ □
7. Course materials distributed □ □ □ □ □
8. Physical facilities □ □ □ □ □
9. Refreshments □ □ □ □ □
10. Scheduled date and time □ □ □ □ □

Additional Comments: _________________________________________________________
__________________________________________________________________________

Using the same scale as above, please indicate how well the following program learning objectives were met:

- Discuss the basic pharmacology of methadone. □ □ □ □ □
- Discuss the unique properties of methadone □ □ □ □ □
- Develop strategies to reduce the risk of overdose and other serious harms associated with methadone use. □ □ □ □ □

Did you feel there were any aspects of commercialism? No □ Yes □
If yes, please elaborate (check all that apply):
□ Unbalanced view of therapeutic options
□ Failure to use generic names
□ Use of single brand name versus several brand names
□ Illustrative material reflected company product promotion
□ Failure to disclose that product recommended for off-label use or still investigational
□ Other (please specify): ____________________________________________
Which aspect of the lecture did you feel was most significant to your needs and why:

Will you make any changes in your practice as a result of the information from this seminar?  
Yes □  No □

If yes, please explain (check all that apply):
☐ Alter my practice performance
☐ Won’t alter my performance, but convinced me I’m doing the right thing
☐ Is relevant to my practice
☐ Will result in better patient outcomes
☐ Other (please specify): __________________________________________________________
______________________________________________________________________________

The content covered will improve my following competencies (check all that apply):
☐ Patient care
☐ Medical knowledge
☐ Practice-based learning and improvement
☐ Interpersonal skills
☐ Professionalism
☐ Systems-based practice
☐ Other ________________________________________________________________

How helpful were the active learning components (case-studies, participant discussion, etc.) in achieving the seminar’s objectives?
